Mixed Age – Bilingual

Newsletter #2

## First Week

What a great first week of school! THANK YOU MA/MB parents for getting your child to school on time and prepared with school supplies! Having children sitting in the auditorium at 7:50 AM is such a plus for them. Students have plenty of time to unpack and get settled by the 8:00 bell. THANK YOU!!!

## Transportation

We've had a successful dismissal during the first week. Remember, MA/MB students being picked up by car should meet parents on the Tunica side of the school. School buses and daycare vans will pick up students in front of the school. **All changes in dismissal procedures must be in writing from parents!**
