

ROOM PARENT SIGN UP SHEET

Dear Kramer Parent,

Would you like to get more involved at school? Have you considered becoming a Room Parent, but just don't know what's involved? If so, read on! Being a Room Parent at Kramer is rewarding & fun. It's an opportunity for you to become an active, supportive partner in your child's education. Both Moms & Dads are welcome! No experience necessary; just a little reading & some dedication throughout the school year.

Responsibilities Include:

- 1). Helping out in the classroom, as needed by your teacher
- 2). Coordinating two class parties a year: Halloween & Valentine's Day (or two class holiday parties of your choice)
- 3). Helping out with Teacher Appreciation Week

For more information, check out the article posted on Kramer's website www.kramerelementary.org: "How to be an Effective Room Parent." This article goes into depth on what's involved, to help you form a clear picture of this job. You may also elect to be a Room Parent Helper, if that works better for you, or an Adopted Room Parent for a needy class (simply note that when you sign up).

To sign up, please return this form to your child's teacher, or fill out the online Room Parent Sign Up Sheet, posted at Kramer's site. I hope you will consider becoming a Room Parent this year; we sure need you! Please don't hesitate to call or email me with any questions. Thanks & see you at school!
